

Adirondack Landowners Association Winter Meeting Auction Friday December 9th, 2011

The annual winter meeting and auction is coming soon...time to get ready for an evening of fun and bidding excitement!

We need the help of every ALA member organization and our associate members, too. Contributions of traditional Adirondack items for both the live and silent auctions are always a big hit...so dig through your camp and find something to help the cause. Things like: furniture, pack-baskets, fishing and hunting gear, books, maps, snowshoes, artwork, photos and lamps are all good choices. Maybe you have an unusual antique or handmade item that will help the cause...anything and everything is welcome!!

Trips to member camps and clubs are very popular and we look forward to having several different ones available for this year's event. Contributions of food, wine, sporting goods, gift certificates and even a round of golf would be great. Please ask everyone in your club or organization to make a special effort to make a donation to the auction.

We will also have our annual playing card raffle for a great gift basket from Oscar's Smoke House....volunteers are needed to help with planning, setup, decorating and the card raffle. Gift items can be shipped directly to the Adirondack League Club, Little Moose Lake, Old Forge, NY 13420. Boxes should be clearly marked indicating they are ALA auction items. Those wishing to donate should contact me early so we get descriptions and information prepared in advance.

Once again, I encourage you to spread the word and reach out to your fellow camp and club members for their help and support. If you have any questions or suggestions, please call me as soon as possible.

Thanks again for your help.
